

I can drive a car ...

DISCLAIMER

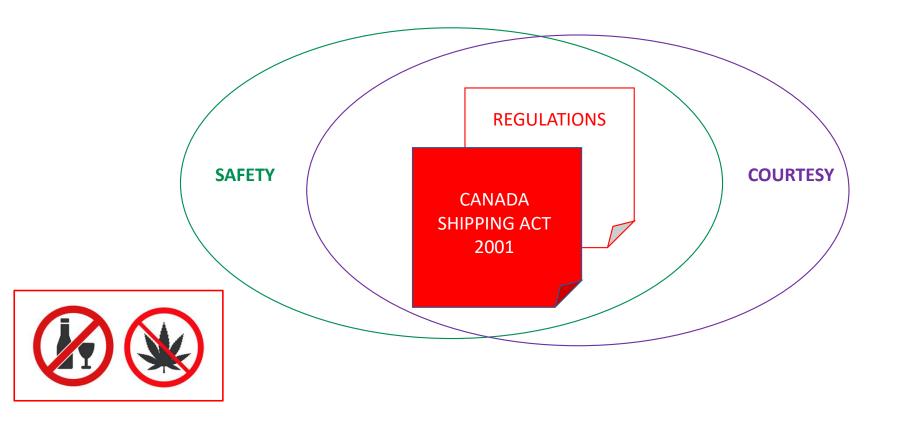

This module is offered as an Opinion Piece, provided and intended by its author to be educational and helpful. By viewing it, you acknowledge that it is not a substitute for on-the-water training, on-the-water supervision, use of good judgement or legal advice.

Tragedies on the water occur every year

I believe ...

- Most are avoidable
- Obeying the law is *only the beginning*

1. Avoid Complacency

I can do this route blindfolded!

Routine trips/chores

To/from dinner out

2. Be Alert

Shared Space

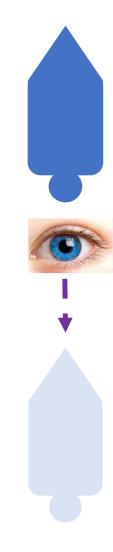

2. Be Alert

Shared Space

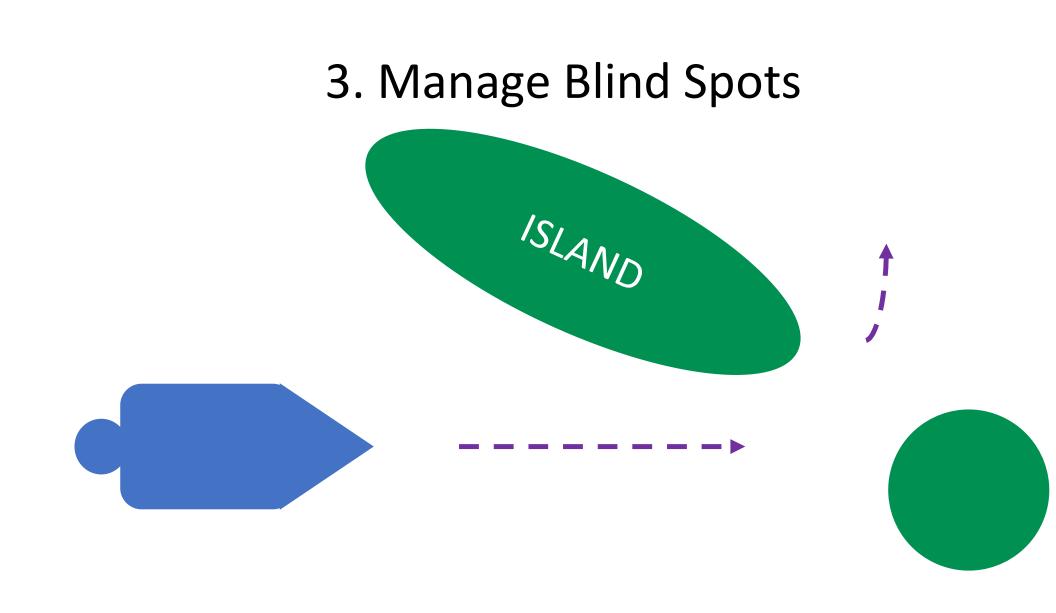

2. Be Alert

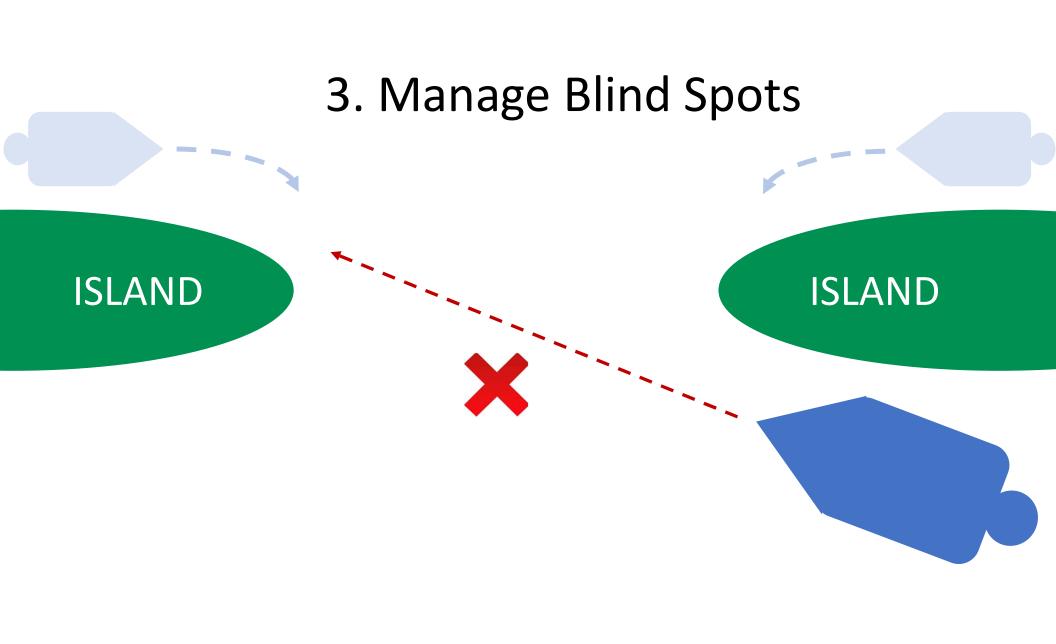

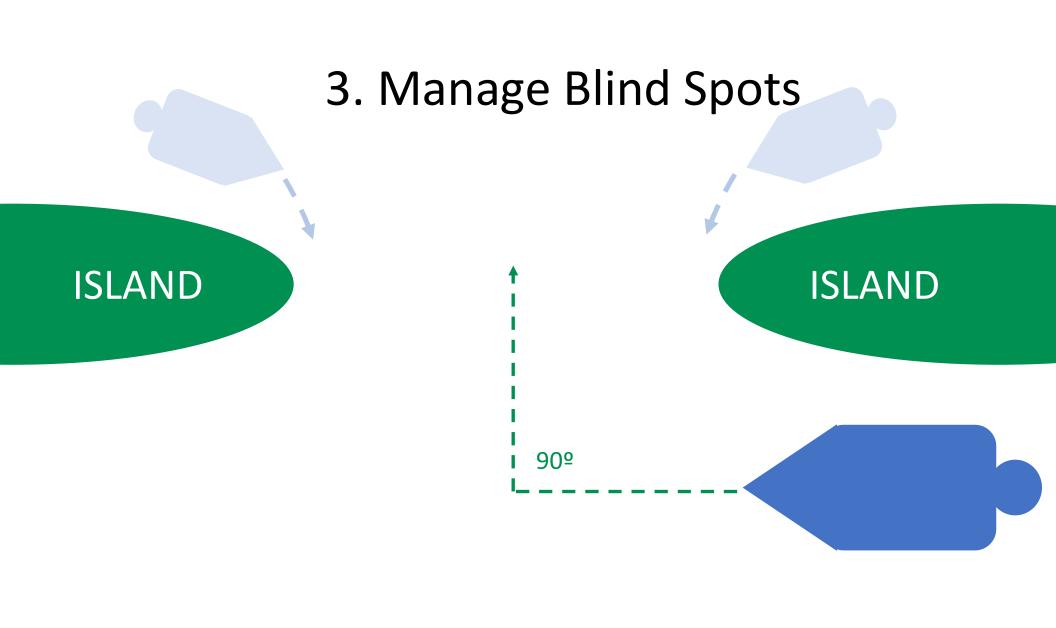

But what if I can't see 1 km ahead?

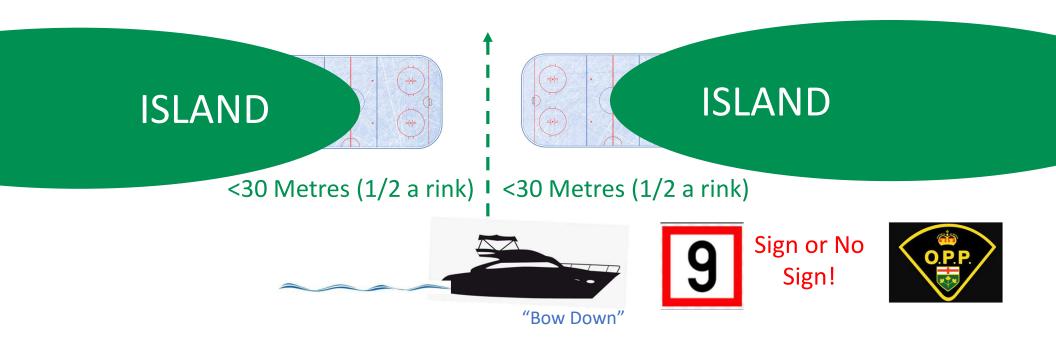

What if there are islands in the way???

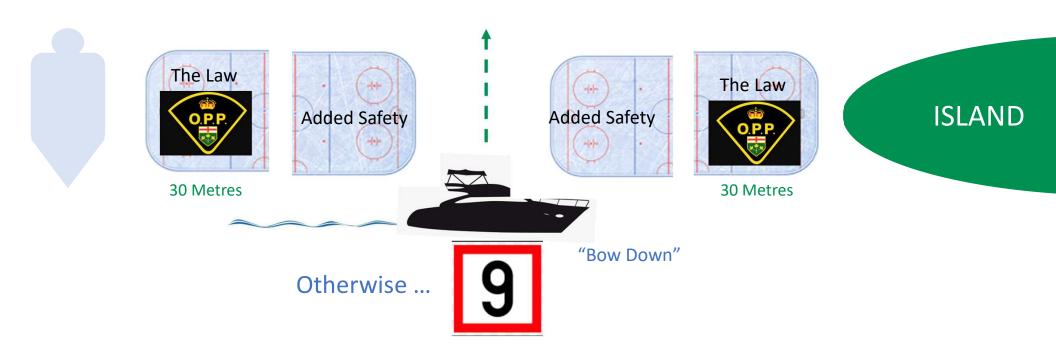

3. Manage Blind Spots ISLAND **"SAFE** SPEED" Sign or No Sign!

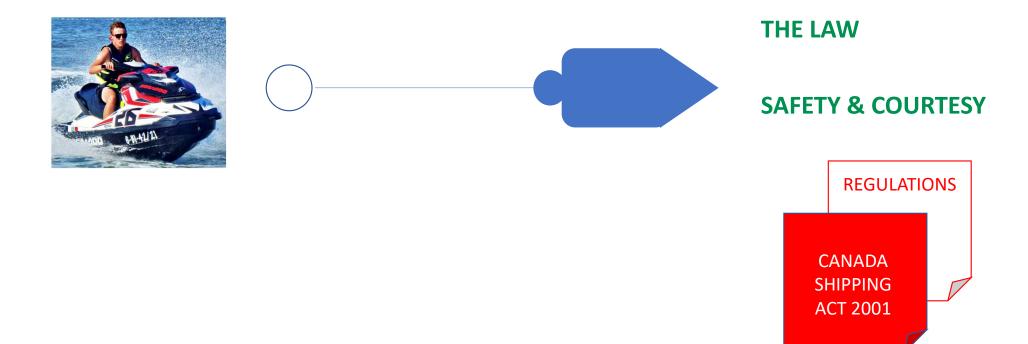

SAFETY & COURTESY

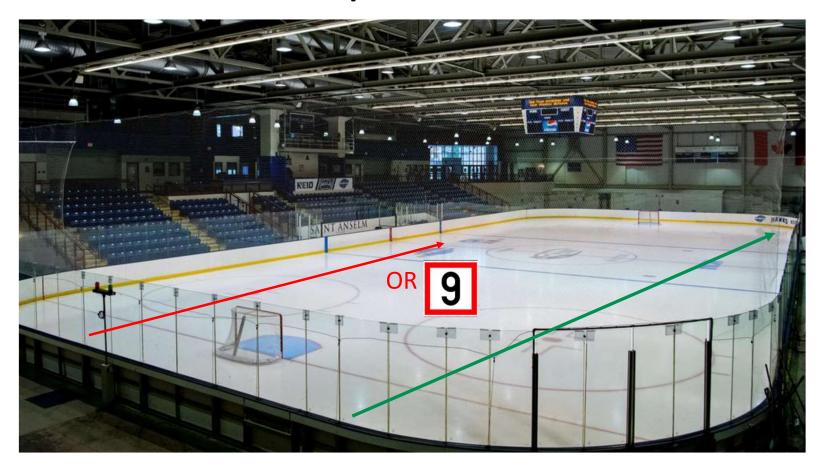

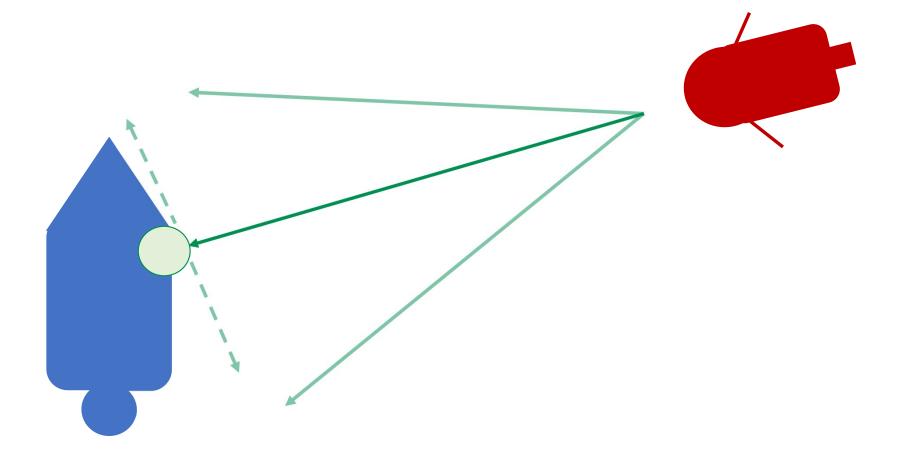

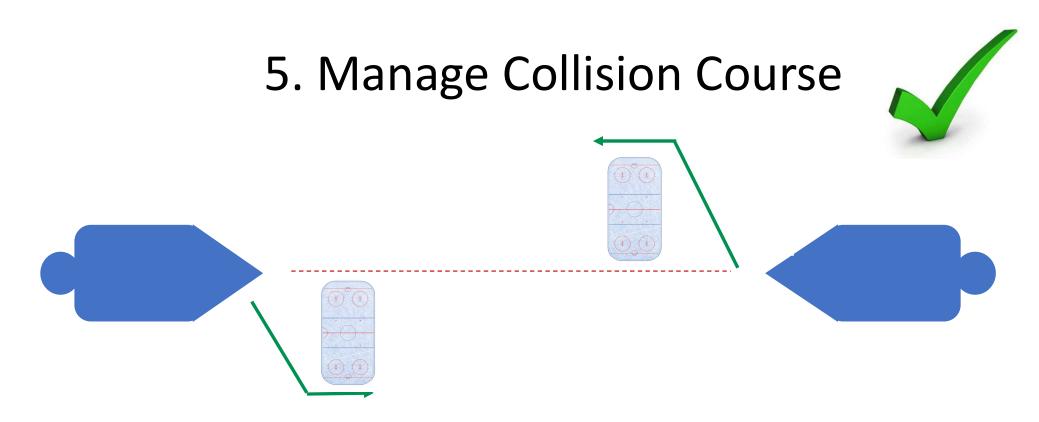

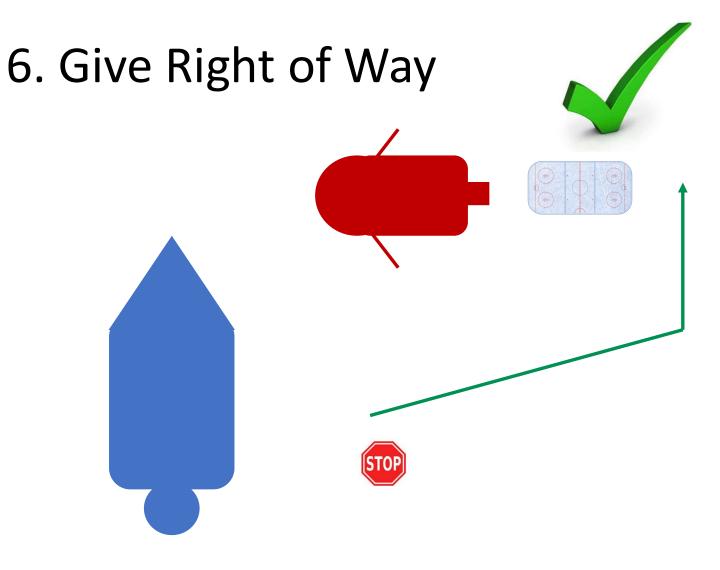

5. Manage Collision Course

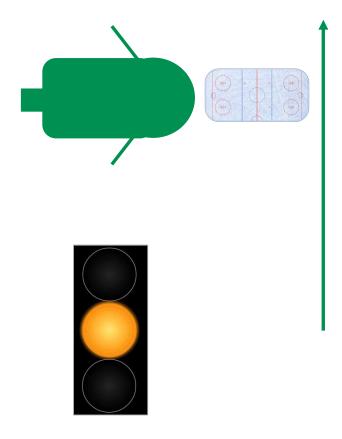

Point with Your Nose

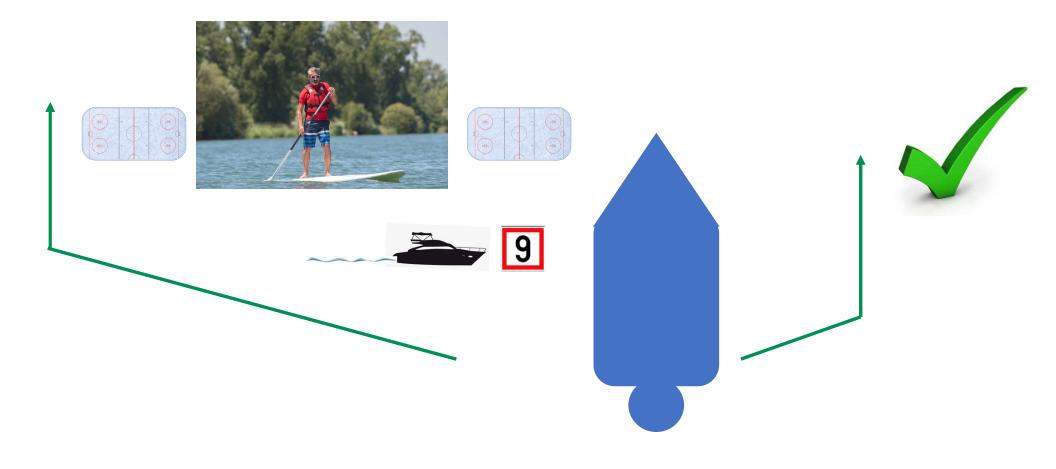

6. Give Right of Way

6. Give Right of Way

7. Operate PWCs Responsibly!

POWER ... SPEED ... SLOW TO STOP

7. Operate PWCs Responsibly!

POWER ... SPEED ... SLOW TO STOP

7. Operate PWCs Responsibly!

POWER ... SPEED ... SLOW TO STOP

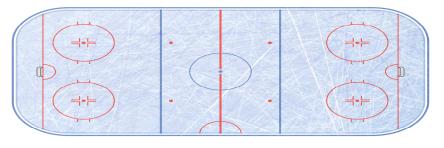

Slow down to 9 km/hr

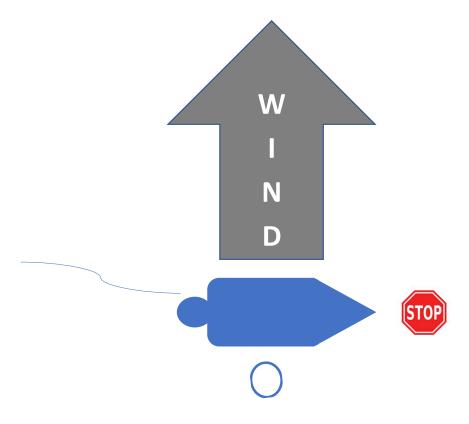

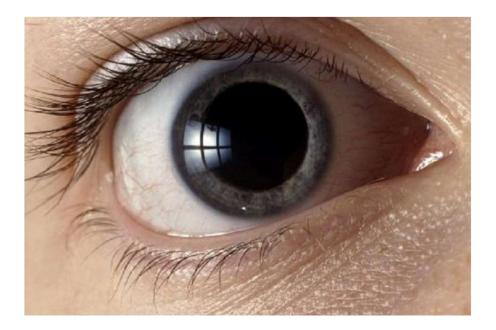

8. Approach Humans in the Water On The Driver's Side and Downwind

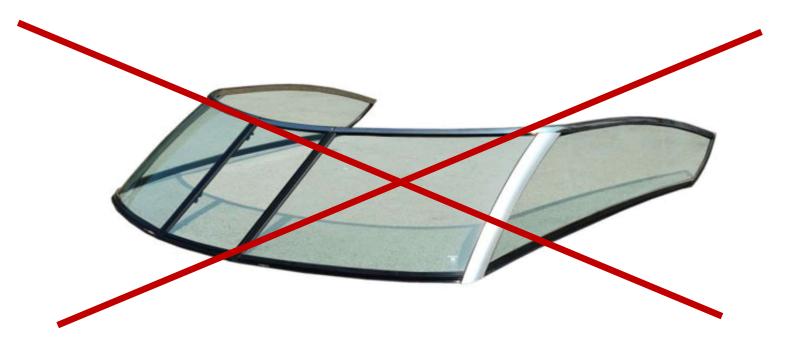

9. Turn Off Headlights

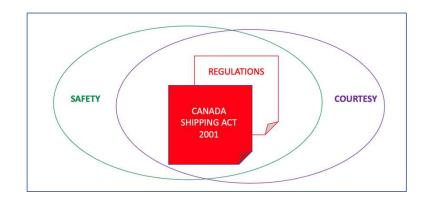

10. Rise Above it All

NEVER look through a windshield at night!

- 1. Avoid Complacency
- 2. Be alert
- 3. Manage Blind Spots
- 4. Keep Your Distance
- 5. Manage Collision Course
- 6. Give Right of Way
- 7. Operate PWCs <u>Responsibly!</u>
- 8. Approach humans on the driver's side and downwind
- 9. Turn off Headlights
- 10. Never look through a windshield at night
