Dear Mayor Harding and Members of Council,

Re: Township of Muskoka Lakes Official Plan - Vision Statement

The Muskoka Lakes Association is following closely the development of the new official plan for the Township of Muskoka Lakes. In support of the plan, our executive brainstormed a vision statement that we offer to the Township of Muskoka Lakes as you craft the plan.

At its meeting of January 23rd, 2020 the board of the Muskoka Lakes Association endorsed the following vision statement for your consideration.

“The unique character of Muskoka Lakes’ natural and cultural environment is understood, valued, protected and enhanced. It is at the core of a sustainable and thriving community and will be passed on to future generations.”

We are grateful for the opportunity to be engaged in the process and look forward to the next generation of the official plan.

Sincerely,

Lawton Osler
President
